

## TVT-2101

TruVision IR Turret High-Res Camera, PAL, 700 TVL, 3.6 mm Lens

### Overview

The TruVision™ line includes a comprehensive family of 960H infrared (IR) cameras for standalone or basic integrated installations that are flexible and scalable to accommodate future growth. Ideal for surveillance system installations ranging from convenience stores to retail mall parking lots, the TruVision IR line has the right cameras for your job and can help you stay within budget constraints without compromising security needs.

These flexible cameras can see in total darkness, providing color images by day and black-and-white images under IR operation in low-light applications. Form factors include omnidirectional dome and traditional bullet cameras. Dome models allow for ceiling or wall mounting while still maintaining a level field of view. Single gang adaptor plates are included with the turret models, while the bullet models offer a familiar form factor that can also be ceiling or wall mounted. TruVision IR dome and bullet cameras are also available in fixed lens and varifocal lens models.

### Application

Built for long-lasting service and plug-and-play functionality, the TruVision IR line provides a valuebased solution that is ideal for applications ranging from residential to office buildings.

Designed for low-light and complete-darkness environments, TruVision cameras' balanced IR capabilities and multiple resolution options offer the perfect camera for each situation. With weather-resistant options that are well suited for indoor and outdoor applications, TruVision cameras represent sensible, secure video surveillance you can depend on.

### Standard Features

- IR illumination for optimal viewing in low- to o-light environments
- Provide flexible installation options and ensure the right camera for the job
- Compatible with all analog CCTV recording devices and equipment
- IP67 ratings for weather-resistant performance
- 960H (700) TV Lines
- 3.6 mm lens
- IR range of 15 m
- 12 VDC

TruVision IR Turret High-Res Camera, PAL, 700 TVL, 3.6 mm Lens

## Specifications

| Camera                   |                                      |
|--------------------------|--------------------------------------|
| Pick-up device:          | 1/3" EXview HAD CCD II               |
| Total pixels:            | PAL: 1020 × 596 / NTSC:1020 × 508    |
| Effective pixels:        | PAL: 976 × 582 / NTSC:976 × 494      |
| Resolution:              | 700 TV Lines                         |
| Sync. system:            | Internal                             |
| Scanning system:         | 2:1 Interlace                        |
| S/N ratio:               | More than 50 dB (AGC OFF)            |
| Electronic shutter:      | Auto 1/60 (1/50) to 1/100,000 sec.   |
| Min. illumination:       | 0.2 lux color / F2.0; 0.00 lux IR ON |
| Video output:            | Composite 1.0 Vp-p / 75 ohm          |
| IR distance:             | 15 m / 49 ft. (14 pcs IR LED)        |
| IR trigger:              | 3.1 lux / 3.7 lux IR ON/OFF          |
| Lens type:               | Fixed lens: 3.6 mm                   |
| Wide Dynamic Range:      | DWDR                                 |
| Digital noise reduction: | 2DNR                                 |
| Electrical               |                                      |
| Power source:            | 12 VDC                               |
| Power consumption:       | 2.41 W (IR ON)                       |
| Current:                 | 201mA (IR ON)                        |
| Environmental & Physical |                                      |
| Weight:                  | 390 g (0.86lb)                       |
| Dimensions:              | 69 × 94 mm (2.72in × 3.7 in.)        |
| Operation temperature:   | -30 to 60° C (-22 to 140° F)         |
| Storage temperature:     | -20 to 70° C (-4 to 158° F)          |
| Weather resistant:       | IP67                                 |
