

PS54VDC72W-EU

54VDC 72W Output Power Supply with EU wall plug

Overview

UTC Fire & Security's wide range of power supplies provide solutions for all the majority of various applications. Available in wall format with adaptors, UTC Fire & Security supplies can be used with all major power plugs. Solutions include both in wall and "power brick" configurations. Switching supplies include advanced technology and power savings, meeting Level V (5) International Efficiency in compliance with California Energy Commission, Energy Star and the EU Code of Conduct for external power supplies. Supplies can be mixed and matched to a variety of UTC Fire & Security products to meet installation requirements.

Details

- CE approved
- UL approved
- CSA approved
- Compact power supplies for use with PoE Switches Media Converters
- Low voltage outputs
- Models for Europe and UK region
- In line power supply

PS54VDC72W-EU

54VDC 72W Output Power Supply with EU wall plug

Technical specifications

Output

Power output voltage	54 VDC
----------------------	--------

Specifications

Input Voltage :	90 - 264V AC
Frequency Range :	47 - 63Hz
Output Voltage :	54V DC
Current :	1.33A
Type :	In Line
Dimensions (mm) :	49 X 115 X 30
Weight :	204gr

Standards Conformance

EMC :	CISPR 22 Class B
EMC :	EN55022 Class B
EMC :	EN61204-3 Class B
EMC :	FCC parts 15 Class B
