

## Product Data Sheet

# DF962

## Quick disconnect gate assembly kit

The DF862 gate disconnect assembly protects gates that are infrequently used. The gate can be opened and closed by manually separating the connection. When the assembly is opened, a supervision alarm is generated. When the assembly is closed the gate is protected and secure.

### Standard Features

- Simple to install
- Avoid trenching or using non-sensitive cable
- Continual protection on gates
- Perfect for infrequently used access points
